5x150	5	3	150	240	0701069	43.39

In steel with wooden handle.
These tools are used to bind motor heads by hand.

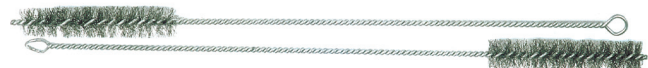

SLOT PRESS NEEDLES

In steel with wooden handle.
These tools are used to press the winding wires in the slots, facilitating the insertion of wedges and sticks.
In addition to items with basic measurements, custom requests can also be satisfied.
